

2023 MERLOT | NAPA VALLEY

PERFECT UNION

Crafted in the heart of Napa Valley, this Merlot is a bold reflection of the region’s exceptional terroir and a testament to a family legacy rooted in winemaking excellence and sustainable farming practices. It’s a place and time where these best elements come together to form a Perfect Union.

Generous and inviting, the bouquet opens with ripe black cherry, plum and red currant, layered with notes of mocha, cedar and vanilla from well-integrated oak. Hints of dried herbs, bay leaf and a touch of graphite add complexity. The palate shows lush dark fruit—think blackberry compote and fig—balanced by velvety tannins and fresh acidity.

The tradition of quality and character has defined the Leonardini family’s name for generations. Now, with several members launching an independent, stand-alone label, their collective passion is expanding in bold new directions.

This wine represents a perfect union—heritage and innovation, craftsmanship and sustainability—all rooted in a shared dedication to the land and the legacy it inspires.
